### **DETAILED ACTION**

1. This Office Action is a response to communications dated 08/19/03. Claims 1-14 are pending in the application.

#### ***Priority***

2. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

#### ***Allowable Subject Matter***

3. Claims 1-14 are allowed.
4. The following is an examiner's statement of reasons for allowance: The prior art of record, considered individually or in combination, fails to fairly show or suggest the claimed invention comprising, among other limitations, novel and unobvious limitations of *"means/step for supplementing data reduced in the reduction means to the data that is targeted for the path selection in the first path selection means; and second path selection means/step for performing the path selection in accordance with the data supplemented with the reduced data and a result of the path selection in the first path selection means/step to thereby output a path estimation result,"* structurally and functionally interconnected with other limitations in a manner as recited in claims 1-14. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany
